

## Rent Geophysical Equipment from K. D. Jones Instrument Corp

Printable PDF price list, as of 01/02/26. Prices on web pages take precedence.

ITEM	MONTH	DAY	PREP
<b>ELECTRICAL RESISTIVITY EQUIPMENT</b>			
Geometrics Ohmmapper with a single receiver rents for	\$4,200 per month or	\$175 per day	\$175 prep fee.
AGI Sting R1/IP with cables and 4 electrodes rents for	\$1,320 per month or	\$55 per day	\$60 prep fee.
AGI MiniSting R1/IP with cables and 4 electrodes rents for	\$1,320 per month or	\$55 per day	\$60 prep fee.
SuperSting R8/IP earth resistivity meter/console rents for	\$4,080 per month or	\$170 per day	\$100 prep fee.
Switch box for resistivity imaging. 84 electrodes per switch box rents for	\$3,600 per month or	\$150 per day	\$125 prep fee.
Passive electrical resistivity imaging cable with 14 take outs spaced 5.25 meters apart and 14 stainless steel electrode stakes rents for	\$720 per month or	\$30 per day	\$45 prep fee.
<b>ELECTROMAGNETIC INSTRUMENTS</b>			
Geonics EM31 without digital data logger rents for	\$1,920 per month or	\$80 per day	\$130 prep fee.
Geonics EM31-MK2 includes digital data logger and Software rents for	\$2,400 per month or	\$100 per day,	\$130 prep fee.
Geonics EM31-SH (short) includes digital logger and software rents for	\$2,400 per month or	\$100 per day	\$130 prep fee.
Geonics EM34-3 includes 10 20 & 40 meter cables and no data logger rents for	\$2,520 per month or	\$105 per day,	\$175 prep fee.
Geonics EM38-MK2 with data logger rents for	\$2,040 per month or	\$85 per day	\$100 prep fee.
Geonics EM61-MK2 includes digital data logger and 1 x 0.5 meter coils rents for	\$4,800 per month or	\$200 per day	\$200 prep fee.
Geonics EM61-MK2A includes digital data logger and 1 x 0.5 meter coils rents for	\$4,800 per month or	\$200 per day	\$200 prep fee.
Geonics EM61-MK2A HandHeld includes digital data logger rents for	\$3,960 per month or	\$165 per day	\$150 prep fee.
Geonics EM61-MK2 High Power includes digital data logger and 1 x 0.5 meter coils rents	\$5,400 per month or	\$225 per day	\$250 prep fee.
Juniper Systems Allegro Cx or TK 6000 with cables & charger rents for	\$480 per month or	\$20 per day	\$20 prep fee.
EM61 GPS antenna mount rents for	\$90 per month or	\$4 per day	\$0 prep fee.
EM61 stretcher for carrying EM61 is available upon request	Call		
<b>GROUND PENETRATING RADAR INSTRUMENTS</b>			
Sensors & Software pulseEKKO Pro SmartCart with Standard Receiver, DVL, software, and with a 50, 100, or 200 MHz antenna rents for	\$5,540 per month or	\$300 per day	\$265 prep fee.
Sensors & Software pulseEKKO Pro SmartCart with Ultra Receiver, DVL, software, and with a 50, 100, or 200 MHz antenna rents for	\$6,900 per month or	\$380 per day	\$265 prep fee.
Sensors & Software pulseEKKO Pro SmartCart with DVL, software, and a 1000 MHz antenna rents for	\$4,800 per month or	\$200 per day	\$285 prep fee.
Sensors & Software Noggin SmartCart with DVL, software, and 100 MHz Ultra antenna rents for	\$6,900 per month or	\$380 per day	\$265 prep fee.
Sensors & Software Noggin SmartCart with DVL, software, and with a 250, 500, or 1000 MHz antenna rents for	\$3,960 per month or	\$165 per day	\$175 prep fee.
Sensors & Software Noggin SmartHandle with DVL, software, and with a 1000 MHz antenna rents for	\$3,960 per month or	\$165 per day	\$175 prep fee.
Sensors & Software Noggin SmartTow with DVL, software, and with a 250, 500, or 1000 MHz antenna rents for	\$3,960 per month or	\$165 per day	\$175 prep fee.
Sensors & Software Noggin SmartCart with 100 MHz Ultra antenna rents for	\$6,900 per month or	\$380 per day	\$265 prep fee.
SPX LMX Series SmartCart with 250 or 500 MHz antenna rents for	\$3,960 per month or	\$165 per day	\$175 prep fee.
Noggin Plus 250 MHz antenna rents for	\$1,320 per month or	\$55 per day	\$65 prep fee.
Noggin Plus 500 MHz antenna rents for	\$1,320 per month or	\$55 per day	\$65 prep fee.
Noggin Plus 1000 MHz antenna rents for	\$1,320 per month or	\$55 per day	\$65 prep fee.
pulseEKKO PRO 50 MHz antenna rents for	\$960 per month or	\$40 per day	\$25 prep fee.
pulseEKKO PRO 100 MHz antenna rents for	\$960 per month or	\$40 per day	\$25 prep fee.
pulseEKKO PRO 200 MHz antenna rents for	\$960 per month or	\$40 per day	\$25 prep fee.
pulseEKKO PRO 1000 MHz antenna rents for	\$1,200 per month or	\$50 per day	\$65 prep fee.
Sensors & Software EKKO Project Software	\$960 per month or	\$40 per day	\$80 prep fee.
<b>CENTIMETER AND SUB-METER GPS</b>			
Hemisphere Sub-meter DGPS receiver rents for	\$840 per month or	\$35 per day	\$35 prep fee.
Hemisphere Atlas Centimeter DGPS receiver rents for	\$1,392 per month or	\$58 per day	\$35 prep fee.
Juniper Geode DGPS receiver with Atlas H10 service rents for	\$1,392 per month or	\$58 per day	\$35 prep fee.
Juniper Geode DGPS receiver rents for	\$960 per month or	\$40 per day	\$35 prep fee.
<b>MAGNETOMETERS</b>			
Geometrics Model G-858 Cesium Magnetometer with one sensor rents for	\$2,400 per month or	\$100 per day	\$85 prep fee.
Geometrics Model G-858G Cesium Gradiometer with two sensors rents for	\$3,480 per month or	\$145 per day	\$85 prep fee.
Geometrics G-856AX Proton Magnetometer with one sensor rents for	\$720 per month or	\$30 per day	\$50 prep fee.
Schonstedt GA-72CD fluxgate magnetometer rents for	\$360 per month or	\$15 per day	\$30 prep fee.
Schonstedt GA 52CX fluxgate magnetometer rents for	\$360 per month or	\$15 per day	\$30 prep fee.
Subsurface Instruments borehole magnetic gradiometer rents for	\$960 per month or	\$40 per day	\$60 prep fee.

#### MAGNETIC SUSCEPTIBILITY METER

TerraPlus KT-10 Magnetic Susceptibility Meter rents for	\$720 per month or	\$30 per day	\$40 prep fee.
---	--------------------	--------------	----------------

#### PIPE and CABLE LOCATORS

Subsurface Instruments PL-2000 multi-frequency pipe and cable locator rents for	\$1,200 per month or	\$50 per day	\$50 prep fee.
Dynatel 2273M multi-frequency pipe/cable locator rents for	\$1,200 per month or	\$50 per day	\$50 prep fee.
Pipehorn 800 dual frequency pipe/cable locator rents for	\$1,200 per month or	\$50 per day	\$50 prep fee.
Aqua-Tronics A-6 Split Box pipe/cable locator rents for	\$1,200 per month or	\$50 per day	\$50 prep fee.
Radiodection RD8200 multi-frequency pipe and cable locator rents for	\$1,200 per month or	\$50 per day	\$50 prep fee.

#### SEISMOGRAPHS & ACCESSORIES

BALLARD borehole source	\$1,728 per month or	\$72 per day	\$100 prep fee.
Geometrics Geode 24-channel rents for	\$2,640 per month or	\$110 per day	\$100 prep fee.
Geophones 14 Hz vertical with Mueller Clips. With a system 24 geophones rents for	\$480 per month or	\$20 per day	\$80 prep fee.
Geophones 8 Hz horizontal with Mueller Clips. With a system 24 geophones rents for	\$480 per month or	\$20 per day	\$80 prep fee.
Geophones 4.5 Hz vertical with Mueller Clips. With a system 24 geophones rents for	\$720 per month or	\$30 per day	\$80 prep fee.
Geophone spread cable. Two cables, 12 take outs with 10 ft intervals. With a system,	\$480 per month or	\$20 per day	\$80 prep fee.
Geophone spread cable. Two cables 12 take outs with 20 ft intervals. With a system, rents	\$480 per month or	\$20 per day	\$80 prep fee.
Geophone spread cable with 24 water tight take outs at 10 ft intervals. With a system ,			
rents for	\$480 per month or	\$20 per day	\$80 prep fee.
Geophone spread cable with 24 water tight take outs at 20 ft intervals. With a system			
rents for	\$480 per month or	\$20 per day	\$80 prep fee.
Geostuff Land streamer includes 24 x 4.5 Hz vertical geophones with water tight			
connectors at 5 ft intervals. With a system rents for	\$1,920 per month or	\$80 per day	\$120 prep fee.

Land streamer includes 24 x 4.5 Hz vertical geophones with geophone spacings of 1 ft, 2 ft, 3 ft, 4 ft, 5 ft, 6 ft, 7 ft, 8 ft, 9 ft, 10 ft, or more. With a system rents for	\$1,920 per month or	\$80 per day	\$120 prep fee.
---	----------------------	--------------	-----------------

Land streamer includes 24 x 4.5 Hz vertical geophones with geophone spacings of 1 ft, 2 ft, 3 ft, 4 ft, 5 ft, 6 ft, 7 ft, 8 ft, 9 ft, 10 ft, or more. Without a system rents for	\$2,880 per month or	\$120 per day	\$180 prep fee.
Geostuff Triaxial Borehole Geophone with control box. With a system rents for	\$1,080 per month or	\$45 per day	\$115 prep fee.

#### SOFTWARE

AGI Earthimager 2D software for resistivity inversion (included with rental of a full system) rents for	\$600 per month or	\$25 per day	\$40 prep fee.
AGI Earthimager 3D software for resistivity inversion rents for	\$600 per month or	\$25 per day	\$40 prep fee.
Sensors & Software EKKO Project Software rents for	\$960 per month or	\$40 per day	\$80 prep fee.
Geomar TrackMaker31 navigation software for EM31-MK2 rents for	\$145 per month or	\$6 per day	\$24 prep fee.
Geomar TrackMaker61 navigation software for EM61-MK2 rents for	\$145 per month or	\$6 per day	\$24 prep fee.
Geomar Multi61MK2 DOS data acquisition program for up to 4 EM61-MK2s. Includes			
Quad card for extra serial ports rents for	\$290 per month or	\$12 per day	\$48 prep fee.

#### VIBRATION MONITORS

InstanTel Minimate Plus vibration and blast monitoring seismograph rents for	\$600 per month or	\$25 per day	\$50 prep fee.
InstanTel Blastmate III vibration and blast monitoring seismograph with built in keyboard and printer rents for	\$720 per month or	\$30 per day	\$60 prep fee.
InstanTel Micromate vibration and blast monitoring seismograph rents for	\$720 per month or	\$30 per day	\$50 prep fee.
External Portable Field Printer for printing InstanTel Results 8.5 by 11 inch compliance reports in the field rents for	Call	Call	Call prep fee.
Casella CEL-633.C1/K1 Type 1 sound level meter with 1/3 octave band analyzer kit and calibrator rents for	\$650 per month or	\$27 per day	\$25 prep fee.
Casella CEL-633.C1/K1 Type 1 sound level meter with 1/3 octave band analyzer kit and calibrator with outdoor microphone protection system, environmental kit case, and 5 meter extension cable rents for	\$890 per month or	\$37 per day	\$30 prep fee.

#### MINIMUM EQUIPMENT RENTAL TERMS

1. All Prices are F.O.B. Mequon, WI. Preparation fees do not include any shipping charges or insurance.
2. Rentals begin the day equipment is shipped and ends when equipment is received at our office in good working condition.
3. For the purpose of calculating rentals, one month is defined as 30 days.
4. All shipping charges are the responsibility of the renter. Shipping charges paid by K.D. Jones Instrument Corporation will be invoiced with a 15% surcharge.
5. Invoices may be paid by MasterCard, Visa, or company check with approved credit.
6. Renter shall bear all risk of loss, destruction or damage to equipment resulting from any cause whatsoever.
